**TRANSMITTAL OF INFORMATION DISCLOSURE STATEMENT**

Sir:

The Attorney for Applicants respectfully requests that the references listed on the enclosed PTO-1449 be considered and made of record in the above-identified patent application. A copy of each reference is also submitted.

The submission of this Information Disclosure Statement is not an admission that any reference cited on the PTO-1449 qualifies as prior art.

This filing is made more than three months after filing of the above-identified application, however, a first office action on the merits has not yet been received, and no fee is believed due. If the office should determine otherwise, any fee required for entry of this Information Disclosure Statement can be made to Schering's Deposit Account No. 19-0365.
